

West Oxford Community Association wants you!

As we approach the 10 year anniversary of the community centre we have plans to develop facilities and thoughts on events we hope to run in the coming years.

The whole community centre is run by a few paid employees and a volunteer group of trustees – we are looking for additional trustees / volunteers to get involved. The management committee meet just six times per year, with sub-committees that focus on specific projects that they are particularly interested in. It's a great opportunity to be involved in the local community, meet new people, and feel that you are contributing to West Oxford life.

The only special qualities needed to support the community centre or any events are enthusiasm and a love of where we live!

Here are a few (genuine!) quotes from current trustees to help encourage you to get involved.

"I recently moved to West Oxford and wanted to get to know people. Since being a committee member I have met loads of new people and feel very much part of the community"

"I have lived in the countryside, in towns and cities but this is the best community I have lived in and it is great to feel part of it".

"I can't walk down the street to buy a pint of milk and get some bread without meeting people who stop to talk. Having raised my family in West Oxford, it is great to have the opportunity to give something back to the local community."

If you are interested in volunteering and would like more information, please drop this flyer into the Community Centre or into the centre post box adding your contact details below, and one of the trustees will be in touch.
